Kyle Sutherland
Director of Technical Services

Kyle has been an expert in Information Technology for more than 15 years. He graduated from the University of Rhode Island in 2006 with degrees in Computer Engineering, German, and Applied Mathematics. Shortly thereafter he took a position with an engineering firm as their IT Director. After close to seven years in that role, he saw an opportunity to expand his knowledge and skillset with Envision. He quickly became a key contributor as a Senior Engineer and was recognized for his problem-solving abilities. He was then promoted to a role on Envision's senior leadership team: Director of Technical Services. In that capacity, Kyle guides Managed Services, Hosted Services, as well as Technical Projects and implementation teams.
